

# Sous les Lumières de Paris

## Annual Spring Auction in Support of Financial Aid Sponsorship Opportunities

**Saturday, April 1, 2023**

**Westin St. Francis San Francisco on Union Square**

An evening benefiting  
French American International School and International High School.

French American + International's mission affirms the central principles of an international education: academic rigor, diversity, critical thinking, and communication across cultures. We are the only Bay Area school offering a truly multilingual, multicultural education, and we are San Francisco's largest independent school, with more than 1,000 students representing more than 40 different countries.

French American + International invites companies to join us as sponsors for this year's Annual Auction. As the school's signature event of the year, it offers corporate sponsors unparalleled opportunities to steward their brand by raising awareness of their corporate social responsibility and philanthropic initiatives.

Attendee profile: 500 guests from France, the USA, and more than 40 countries. Our guests regularly fly internationally, bank and invest globally, are well-connected socially, and enjoy high-end goods and services.

Our event begins with a VIP reception followed by a cocktail and wine reception with a silent auction. We then have a seated three-course dinner with a live auction followed by dancing. It's an engaging, lively, and fun night for our community with all proceeds benefiting our school's financial aid program.

# Auction Sponsorship Opportunities
